# Popmoney®

Popmoney is a personal payment service that allows you to send, request and receive money from another person with any U.S. bank account.

- Add up to 50 active contacts
- Establish one-time, scheduled or recurring transfers

## SEND MONEY

You can send money (\$10 minimum) to a contact using his/her:

- Email Address
- Mobile Number
- Bank Account Information (*available online only*)

## RECEIVE MONEY

When someone sends you money, you will receive an email or text message with instructions.

- Log in to Move Money > Popmoney and choose an account to direct the funds. (*Note: If the funds were sent to a bank account, or if Automatic Deposit is enabled, the money will be automatically deposited.*)
- Alternatively, you may provide your bank account information at Popmoney.com.
- If you don't provide your account information, the payment will be automatically returned in 10 days.

## REQUEST MONEY

You can request money from a person or a group.

- They are notified to pay the request.
- The money is deposited directly into your bank account and you'll receive a notification that your request has been paid.

# External Funds Transfer

External Funds Transfer is a secure online money transfer service that allows you to move money between your NEFCU accounts and accounts you own at other financial institutions.

- Add up to five external accounts
- Establish one-time, scheduled or recurring transfers

## ADD YOUR EXTERNAL ACCOUNT

You can add an external checking, savings, money market or brokerage account.

- Click "Add a New Account" under From/To fields.
- Select the account type, enter an account nickname, and then enter the routing number and account number as indicated.
- Verify the external account in one of two ways:
  - **Verify instantly:** Log in to the external bank account using your external account's login credentials to verify ownership.
  - **Verify with bank deposits:** Verify two small deposits posted to your external account in 1 to 2 business days.
- Once verified, your external account will be available as an option in the From/To fields.

## TRANSFER FUNDS

To schedule a transfer, you'll need to enter the following:

- Amount
- Transfer From/To Accounts
- Send On Date (*delivery date and fee will display*)
- Frequency
- Memo

To view previous transfers or edit/view scheduled transfers, click on the **Activity** tab. To manage your accounts, validate an email address or unsubscribe, click on **Settings**.
