Eligible Items. You agree to scan and deposit only checks (*i.e.*, drafts drawn on a credit union or other financial institution and payable on demand.)

You agree that you will **not** use Remote Deposit to deposit:

- Checks payable to any person or entity other than you (*i.e.*, payable to another party and then endorsed to you).
- Checks payable to you and another party who is not a joint owner on the account.
- Checks that contain evidence of alteration.
- Checks you know or suspect, or should know or suspect, that are fraudulent or are not authorized by the owner of the account on which the check is drawn.
- Checks that have been previously submitted or negotiated.
- Checks that are “stale dated” or “post dated.”
- Checks that are payable in a foreign currency or that are issued by a financial institution located outside of the United States.

Requirements. Each image must provide all information on the front and back of the original check at the time presented to you, completed by the person making/owning the check (the “drawer”), including, but not limited to, information about the drawer and the paying bank that is preprinted on the original check, MICR information, the drawer’s original signature(s), any required identification written on the front of the original check, and any endorsements applied to the back of the original check. The check image quality must meet standards established by the American National Standards Institute, the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association.

Endorsements must be made on the back of the share draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. Your endorsement must be made exactly as the check is made payable and include “For Remote Deposit at NEFCU.” Any loss we incur from a delay or processing error resulting from a missing or irregular endorsement or other markings by you will be your responsibility.

All checks must be endorsed as written. If the check is made payable to you and your joint owner, you both must endorse the check.

Receipt of Deposit. All images processed for deposit through Remote Deposit will be treated as “deposits” under your current Membership Agreement with us and will be subject to all terms of the Membership Agreement. When we receive an image, we will confirm receipt via email to you. We shall not be deemed to have received the image for deposit until you have confirmed receipt from us. Confirmation does not mean that the image contains no errors or that it will be accepted. It simply means we have received the item. We are not responsible for any image that we do not receive.

Following receipt, we may process the image by preparing a “substitute check” or clearing the item as an image.

We reserve the right, at our sole and absolute discretion, to reject any image for remote deposit into your account. We will notify you of rejected images. We are not liable for any service or late charges levied against you due to the rejection of any item. You are responsible for any loss or overdraft plus any applicable fees to your account due to an item being rejected.

Original Checks. After you receive confirmation that we have received an image, you must securely store the original check **for 45 calendar** days after transmission to us and make the original check accessible to us at our request. Upon our request from time to time, you will promptly deliver to us, at your expense, the requested original check in your possession. If not provided in a timely manner, any amounts previously credited will be withdrawn from your account. Promptly after the 45-day period expires, you must destroy the original check by first marking it “VOID” and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. *After destruction of an original check, the image will be the sole evidence of the original check.*

You agree that you will never re-present the original check. You understand that you are legally responsible if you present a check that has previously been presented for payment or that already has been paid.

Returned Deposits. Any credit to your account for checks deposited using Remote Deposit is provisional. If original checks deposited through Remote Deposit are dishonored, rejected or otherwise returned unpaid by the drawee bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to issues relating to the quality of the image, you agree that an original check will not be returned to you, but that we may charge back the amount of the original check and provide you with notice of the return and an image of the original check, a paper reproduction of the original check or a substitute check. You will reimburse us for all loss, cost, damage or expense caused by or relating to the processing of the returned item. Without our approval, you shall not attempt to deposit or otherwise negotiate an original check if it has been previously charged back to you.

We may debit any of your accounts to obtain payment for any item that has been rejected or returned, for any adjustment related to such item or for any warranty claim related to such item, whether or not the rejection, return, adjustment or warranty claim was made timely.

Intellectual Property. NEFCU or the Third Parties, as the case may be, retain all rights, title and interests, including intellectual property rights, in and to the Third Party Software and services, any improvements, translations, modifications or derivatives thereof, and any related documentation provided or made available to you, including all intellectual property rights therein.
