ACKNOWLEDGMENT

I/we understand I/we must be a member(s) in good standing with all of my/our deposits and loan accounts current in the past 12 months to participate in New England Federal Credit Union's Skip-a-Payment program. The Skip-a-Payment program is not available on loans during the first six (6) months of a loan agreement. Loans are limited to one Skip-a-Payment per calendar year. There is a \$25.00 service fee to skip a payment on each loan. The Skip-a-Payment program is not offered on real estate loans, lines of credit, commercial loans, loans for terms of more than 120 months or past due loans. The first six (6) payments of any loan are not eligible for Skip-A-Payment. The authorization of a Skip-a-Payment will extend the maturity date of the loan. I/we will be required to resume my/our payments the following month. My/our next regular monthly payment will include the finance charges for the skipped month and any charges for life/disability insurance if applicable.

Note for auto loans: I/we understand that if I/we have purchased GAP insurance to protect this loan, the insurance will not cover the payment skipped. I/we understand that if I/we have Bill Pay/electronic transfer/recurring debit from another financial institution it is my/our responsibility to contact them to pause my/our payments. If there are insufficient funds in my/our deposit account, this offer is void and my/our loan payment will be due on the original due date.
